## Know Your Safety Escort's Covid-19 status - SAFETY MEASURES

March 22, 2022

Hello,

Medical Procedure Escorts specializes in providing active & retired law enforcement officers as Safety Escorts to escort & or drive clients in their personal vehicle, our company vehicle, or escort clients into an Uber/taxi to & after medical procedures, to ensure they get home safely.

We provide background checked, law enforcement officers, (males and females) as **Safety Escorts**. **Additionally, we can provide vaccinated & routinely Covid-19 tested Safety Escorts.**

**With the Safety Escort's approval, we'll share the following information with clients at the time of the booking. You can also request an option you're most comfortable with, &, if possible, we'll make that Safety Escort available. We'll also provide CDC documentation or test results upon your booking.**

You can request:

- A. Vaccinated Safety Escorts
- B. Recently Covid-19 tested, & last date tested
- C. Include A & B, & we can have the escort take a pcr or rapid home test less than 24 hours prior to your booking, or in front of the client, if the client prefers for an additional fee.

**All Safety Escorts will wear mask.**

**Let us be a part of your team to keep you, & through extension your entire family safe & healthy, with one of our masked and vaccinated Safety Escorts. If you believe you or a member of your family could benefit from this service, don't hesitate to contact us.**

Rates start at \$49 per hour, with a three-hour minimum, for a Safety Escort only. However, if require us to provide a vehicle, that would be additional. Note: our drivers have signed non-disclosure agreements.

Lastly, we can provide vaccinated safety escorts for trips other than to medical procedures, for those types of transports, please visit, [www.finestchauffeurs.com](http://www.finestchauffeurs.com)
